Reintegration Cases from 2015 to 2022

Reintegration Projects in 2022

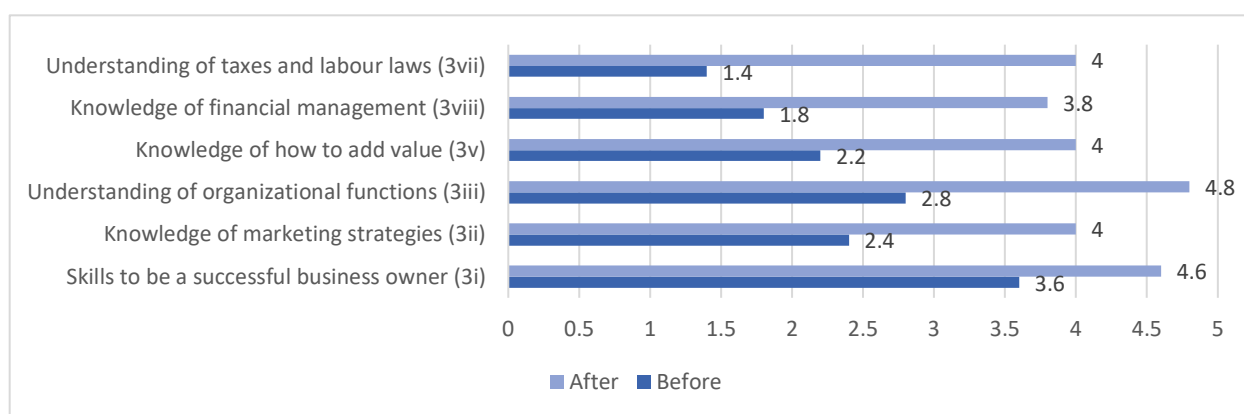

Business Training Results

- IOM Iran built up a Business Training Component for this particular project. In 2022, a total of **5 beneficiaries** (3 Males and 2 Females) having returned from Switzerland took part in the **Business Development Training**. Childcare was organized for a single mother participating.
- Before and after the training returnees were asked to answer a short questionnaire. The overall satisfaction of the training was very well noted by the participants. (4,8).

The graph below displays the knowledge and abilities as entrepreneur of a small business, as perceived by the beneficiaries. This is based on a rating scale of 0-5 (with 0 being the worst score and 5 being the best).

- Beneficiaries have significantly improved their knowledge after the business training, for instance their understanding of underlying taxes, laws or organizational functions as well as proper handling of finances, adding value to a business and use of marketing strategies.
